IMMIGRATION SERVICES
HUNGARY

Processing personal data in line with the General Data Protection Regulation (GDPR)

By contacting us via our contact form we handle your following personal data:

- your last name and your forenames,
- your email address,
- the subject of your inquiry,
- your company name (if any).

The above data and all the others that you give us voluntarily will be processed according to the following:

Name and contact details of data controller (the person who processes the data):

nVisa Kft.
info@nvisa.eu

Purpose of processing your personal data:

Providing Hungarian immigration and working authorisation related services for you.

Legal basis for processing the data:

- (1) your authorisation;
- (2) data processing is required in order to comply with the immigration and working authorisation rules.

Third parties that we might forward your personal data:

Without providing a service to you, we do not forward your personal data to a third-party. If we provide a service to you, we inform you whom we share your personal data with.

Duration of processing your personal data:

We will store your personal data for a period of time by when the deletion of the data does not hinder our effectiveness to support your immigration issues.

Your rights towards us in connection with your data processing:

You can ask us anytime if you want to access to your personal data stored by us, rectify, erasure them or restrict their processing or share with you in a structured, commonly used and machine-readable format and to transmit those data to another person.
